It is understood that all players **MUST** personally provide all accommodations and equipment (including but not limited to aides, specially adapted sticks, transportation, etc.) necessary to participate in the games and/or social activities at the regular bi-monthly games, as well as any tournaments or exhibitions which the player elects to participate in with the team. It is understood and agreed that PPP, or any host team, has no financial responsibility to provide for any services or equipment.

In consideration of your acceptance of my application for the **Philadelphia PowerPlay** and granting permission for my participation in this activity, I hereby intend to be legally bound, for myself, my heirs, executors and administrators, waive and release any and all claims of any kind for damages of any nature which I or my beneficiaries may now or hereafter have against Philadelphia PowerPlay and any sponsors, coordinating groups, facilities and individuals associated with the activity, their representatives, successors and assigns, and will hold them harmless from any injuries or damages which I may suffer in this activity.

I understand that the appropriately designated PPP staff or representative will follow their normal procedures in their best professional judgment in providing services and responding to situations of an emergency nature.
